Title: New Necromancers

Author: Rune Artisem - OES

Good eve, creatures of
Caina...

It gives me great
pleasure to announce that
two new beings have
entered the ranks of the
Order and will serve us
as necromancers. Both
Sepulchrave and Dryzzid
have completed grueling
quests and under went a
ritual that has marked
their entry into the
Order. Through the
necromantic powers of
Lynne Darkthorne, Jergal,
and myself we were able
to channel a burst of
Obilvion's dark powers
through each of these
new necromancers... And
now they will serve the
Order as full fledged
members...

In Eternal Darkness,
